Dear Ray:

Thank you for your letter of November 3 and the enclosed information concerning Charles McCrery. We have placed this information in our file and have taken steps to have his name deleted from our records.

However, in order to keep a man's name on the Confidential File, we need substantiating documents, such as letters or signed statements from parents or boys involved in the situation. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Unless we receive the above requested material, we will not be able to keep this man's name on the Confidential File.
